

Dexter's Basic Safety Rules

- 1.** Always stay close to your parents or the person in charge of your care when in public places like grocery stores, shopping malls, parks or playgrounds.
- 2.** Always tell your parents where you are going and who you're going to see. Take a "buddy" with you whenever you go away from home.
- 3.** Always walk, play or ride your bicycle in open and lighted areas so you can be seen by others if you get hurt or in trouble. Stay away from isolated and heavily wooded areas.
- 4.** Always Say No! "To Strangers" or any person who offers you candy, toys or pets to go away with them. Never leave with any person unless your parents give you permission to do so. Never accept a ride in a stranger's vehicle.
- 5.** Always wear your Dexter, the Safety Dragon whistle when you go out to play, and "whistle for safety" if you and your buddy are lost, injured or frightened by any situation.
